UNICEF SEeks Strategic and Results-Oriented Senior Experts to advance Its New Gender Action Plan (GAP)

Positions: Regional Gender Advisors, P-5

GAP Approach and Priorities:

Key Areas for Contribution and Innovation:
1. Excellence in programme design & implementation
2. New regional gender policies & strategies
3. Evidence building and improved measures
4. Coordination, management and oversight
5. Partnerships and resource mobilization.

Candidates should have the following minimum qualifications:
- Advanced university degree (Masters or Ph.D.) in the social sciences (i.e. sociology, demography, psychology, political science and economics), public health, public policy or international development. A concentration in gender is a strong asset.
- Minimum twelve years of progressively responsible professional experience and demonstrated track record of having undertaken and led substantive programming and research on gender and development in key issue areas that are the focus of UNICEF’s Gender Action Plan.
- Experience in delivering results-based programmes on gender & development an asset
- Experience in programme management/leadership, especially at country/field level, essential.
- Previous background and experience in emergencies an asset.
- Fluency in written and spoken English is essential. Knowledge of a second UN language (i.e. Arabic, Chinese, French, Russian, Spanish) and/or the local language of duty station an asset.
